CLGE Member Associations

## **INTERGEO® 2012 Hanover, Germany Reminder and Registration: European Students Meeting**

21. Dezember 2011

Dear CLGE Member Associations,

As you already know there will be an European Students Meeting (ESM) on the 10<sup>th</sup> of October parallel to the INTERGEO® in Hanover, which will take place from 9<sup>th</sup> to 11<sup>th</sup> October 2012. INTERGEO® is the world's largest event and communication platform for geodesy, geoinformation and land management. **DVW and CLGE** kindly invite students to visit the INTERGEO® trade fair. The trade fair covers all the key trends from geo-based information surveys and data processing to integrated applications.

After the first announcement made by **CLGE** we would like to give you more comprehensive information about the **ESM**:

- **For all correspondence please contact the local organizer Jens-André Paffenholz** who is in close contact with Leiv Bjarte Mjøs from CLGE.
- **Concerning the registration procedure, we have to perform this process country-wise.** We are awaiting your list of participating students as soon as possible, **not later than 15<sup>th</sup> February 2012 (deadline)**. This means, each Association or National Liaison Group has to return the filled registration form. Individual student registrations will not be accepted. Electronic submission via email to [jens-andre.paffenholz@intergeo.de](mailto:jens-andre.paffenholz@intergeo.de) is the preferred way.
- **To participate in the ESM a fee of 15€ per person has to be paid.** The fee includes the entry fee for the INTERGEO® trade fair, breakfast on Thursday morning, and a general administrative part, e.g. for the party registration. Each **CLGE** member association will get a bill for their students participating at the ESM. The bill has to be paid by the **end of June**.

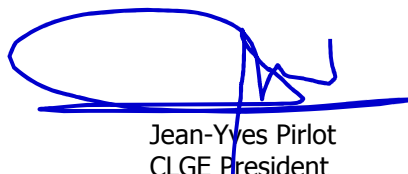

The housing will be sponsored. Currently we have a limit of 250 persons for accommodations. Therefore, it might be possible that we have to limit the maximum number of participants per association. In this case we will inform you before the end of February.

Dear CLGE Member Associations, please support your students to visit the INTERGEO® 2012 in Hanover.

Yours,

Karl-Friedrich Thöne  
DVW President

Jean-Yves Pirlot  
CLGE President
